# LOUVIGNÉ DU DÉSERT

## The itinerary

Louvigné du Désert is an ideal venue to meet up with friends, family or as a couple. This **calm and authentic town** is ideally located between Brittany and Normandy. It offers visitors a relaxing journey, mixing nature and local heritage. The history of the area is linked to granite exploitation, which has shaped landscapes, architecture and culture. Granite is omnipresent in streets, mansions, religious buildings and sculptures. Louvigné benefits from a unique identity that is intermingled with **a richness of culinary, heritage and rural life** that will allow you to escape from your day to day routines.

- Enjoy nature with many outdoor activities
